The Duty of Fair Presentation

You have a duty to make a fair presentation of the risk which **You** wish to insure. This applies prior to the start of **Your Policy**, if any variation is required during the **Period of Insurance** and prior to each renewal. If **You** do not comply with this condition then

1. If the failure to make a fair presentation of the risk is deliberate or reckless **We** can elect to make **Your Policy** void and keep the premium. This means treating the **Policy** as if it had not existed and that **We** will not return **Your** premiums, or
2. If the failure to make a fair presentation of the risk is not deliberate or reckless and **We** would not have provided cover had **You** made a fair presentation, then **We** can elect to make **Your Policy** void and return **Your** premium or
3. If the failure to make a fair presentation of the risk is not deliberate or reckless and **We** would have issued cover on different terms had **You** made a fair presentation of the risk then **We** can:
 - a. reduce proportionately any amount paid or payable in respect of a claim under **Your Policy** using the following formula. **We** will divide the premium actually charged by the premium which **We** would have charged had **You** made a fair presentation and calculate this as a percentage. The same percentage figure will be applied to the full amount of the claim to arrive at the proportion of the claim to be paid or payable; and/or
 - b. treat **Your Policy** as if it had included the different terms (other than payment of the premium) that **We** would have imposed had **You** made a fair presentation.
4. Where **We** elect to apply one of the above then
 - a. if **We** elect to make **Your Policy** void, this will be from the start of the **Policy**, or the date of variation or from the date of renewal.
 - b. **We** will apply the formula calculated by reference to the premium that would have been charged to

claims from the start of the **Policy**, or the date of variation or from the date of renewal

c. **We** will treat the **Policy** as having different terms imposed from the start of the **Policy**, or the date of variation or from the date of renewal depending on when the failure to make a fair presentation occurs.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this **Policy**, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- a) loss of a particular kind, and/or
- b) loss at a particular location, and/or
- c) loss at a particular time,

then **We** agree that **We** may not rely on the non-compliance to exclude, limit or discharge **Our** liability under this **Policy** if **You** show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Fraud or dishonesty

If **You** or anyone acting on **Your** behalf makes a fraudulent claim under **Your Policy**, including provident fraudulent information or documentation, **We** may:

- a) refuse to pay the claim;
- b) seek to recover any costs already incurred by **Us** relating to the fraudulent claim;
- c) also have the option to cancel the **Policy** from the date of the discovery of the fraud, and
- d) keep any premium paid to **Us**

This will not affect claims already made unless they too were fraudulent.

Premium adjustment

If any part of the premium has been calculated on estimates, **You** shall within one month from the expiry of each **Period of Insurance** furnish such particulars and information as **We** may require and shall at **Our** request provide an auditors certificate in support of the particulars and information provided. The premium for such period shall then be adjusted. **We** shall be entitled to charge a reasonable additional premium in respect of that **Period of Insurance**.

Proceedings

You shall not, except at **Your** own cost, negotiate, pay, settle, admit or repudiate any claim without **Our** written consent. **We** shall be entitled to undertake in **Your** name and on **Your** behalf the absolute conduct and control of any proceedings and any settlement of the same. **You** shall render to **Us** all necessary information and assistance to enable **Us** to settle or resist any claim or to institute proceedings.

Reasonable precautions

You shall take all reasonable precautions to prevent or minimise, **Damage** to property or accident or injury.

Reinstatement of sum insured after loss (not applicable to Sections 7 to 10 and 14 of this Policy)

In the event of **Damage** the sum insured will be automatically reinstated from the date of the loss, unless written notice is given to the contrary either by **Us** or by **You**. **You** undertake to pay such necessary premiums as may be required for such reinstatement from that date.

Sanctions

This contract of insurance is subject to sanction, prohibition or restriction under United Nations resolutions. It is a condition of **Your Policy** that **We** will not provide cover, or pay any claim or provide any benefit under **Your Policy** to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us, or **Our** parent, subsidiary or any group member company, to any trade or economic sanctions, or violate any laws or regulations of the United Kingdom, the European Union, the United States of America or any other territory.

Subrogation

Any claimant under this **Policy** shall at **Our** request and expense take and permit to be taken all necessary steps for enforcing rights against any other party in **Your** name before or after any payment is made by **Us**.
