The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. (c) **Avoidance by Us**

If **We** are entitled, for any reason, to avoid this Section from inception, **We** may in **Our** absolute discretion elect instead to give notice to **You** or the **Trustee** that **We** regard this Section as being in full force and effect, except that no cover will be given under this Section in respect of any **Claim** that arises from or is related to the ground(s) that entitled **Us** to avoid this Section.

(d) **Claims Procedures**

We will not make any payment under this Section unless all of the following conditions have been complied with:

The following must be notified as soon as practicably possible after they come to the attention of a **Trustee** or the person responsible for arranging insurance;

We shall not settle any **Claim** without the written consent of the person or entity insured. If the person or entity insured refuses to consent to a settlement demand acceptable to the claimant and recommended by **Us** and elects instead to contest the **Claim**, then **Our** total liability for such **Claim** shall not exceed the amount for which the **Claim** could have been settled plus any **Defence Costs** incurred as of the date such **Claim** could have been settled and to which this Section would otherwise apply. In the event of a dispute between **Us** and the person or entity insured in relation to whether a **Claim** should be settled **We** may obtain an opinion from Queen's Counsel or a person who holds an equivalent position in any other jurisdiction and such opinion shall be binding on **Us** and the person or entity insured.

(f) **Our Entitlement to Defend**

We shall be entitled, but not obliged, to take over the investigation, defence and settlement of any **Claim** and any circumstance(s) likely to give rise to a **Claim** and any circumstance(s) where cover has been requested under this Section including as to the choice and appointment of legal representation. If **We** take over the conduct of a **Claim** then **We** shall be entitled to defend or settle the **Claim** at **Our** absolute discretion.

(g) **Order of Payments**

Where there are multiple **Claims** for coverage under this Section, **We** shall make payments in the order those **Claims** are presented.

If it becomes apparent to **Us** in **Our** absolute discretion that the Limit of Liability will not be sufficient to cover all expected payments under the Section then **We** will make payments in the following order:

- (i) payments under the Clause 11.1(a) direct to the **Trustees**; followed by
- (ii) payments under the Clause 11.1(b), to **You**; followed by

You and/or a **Trustee** and any person covered shall, without charge, provide such assistance as **We** may require in any subrogation and shall at all times protect and preserve any rights of recovery to which **We** would become subrogated under this policy. **You** and/or a **Trustee** and any person covered agree that **We**, at **Our** option, may have the conduct of any proceedings to recover monies paid or payable by **Us**, whether or not **You** and/or a **Trustee** or person covered has an interest in such proceedings by reason of any uninsured losses.
